

NEW

Getting Started with Chronic Disease Management

COURSE DESCRIPTION

Our Getting Started short courses are delivered as a single 2.5-hour individual remote training session with one of our experienced CDM Plus Trainers.

Our sessions will use your current clinical software including, Best Practice, Medical Director, Communicare, and Zedmed to increase confidence with Chronic Disease Management activities.

Getting Started with CDM is suitable for Nurses, Aboriginal Health Workers and Practitioners, Nurse Practitioners, Practice Managers, and GPs looking to improve Chronic Disease Management service delivery.

WHAT WE WILL COVER

- CDM Processes and Team Roles
- Identify eligible patients for Chronic Disease Management activities
- Increase confidence to perform CDM activities using your clinical software
- Medicare Item Numbers and navigating the MBS Online Services
- Care Plans and Reviews
- Care Plan Demonstration
- Home Medicines Review (HMR)
- Templates and Text Shortcuts
