## Complex Care

My Care Plan - **Complex Care**  
will help to:

- *Self-manage multiple complex chronic conditions*
- *Improve communication between consumers, carers, and health professionals*
- *Organise appointments and test results*
- *Document health history and medicines*
- *Record observations and goals*
- *Establish a Personalised Emergency Evacuation Plan (PEEP)*

The customisable PEEP ensures you have the necessary personal and health information easily accessible in an emergency.
